**Subject:** FW: Upper Animas Recent Samples

Dan, ESAT informed me of the following issue. Several samples showed up at the lab that were collected from Upper Animas by Lisa Richardson with BLM. I was unaware of the samples and in conversations with ESAT, they appear to be monthly samples. I have not seen an ASR for the samples nor have I heard anything about them. Are you aware of the samples?

Thanks,

Don

**Subject:** Upper Animas Recent Samples

Hey Don,

Scott just reminded me that I need to inform you when we receive samples that are out of hold time. This last batch came in on March 17, 2015. One sample for Total and Diss Metals was collected on 7/29/2014, so it is clearly out of the 180 day hold time. The rest were good sampled in 12/2014, 1/2015, 2/2015, & 3/2015.

Thanks,

**Janelle Lohman**
